2. Yian Chen, ychen855, [ychen855@gatech.edu](mailto:ychen855@gatech.edu)
3. Chih-Yuan Su, csu68, [csu68@gatech.edu](mailto:csu68@gatech.edu)

## Project Name

Project #22: Connected Patient Experience

## Github Repo Linkage

<https://github.com/gatech/gt-cs6440-hit-fall2020/Connected-Patient-Experience/tree/deploy>

## Deployed at

<https://apps.hdap.gatech.edu/connected-patient-experience-app/>

## Drone Page

<https://drone.hdap.gatech.edu/gt-cs6440-hit-fall2020/Connected-Patient-Experience/>

## Steps to Run App

step 1: Login to this [app](#) with correct username and password.

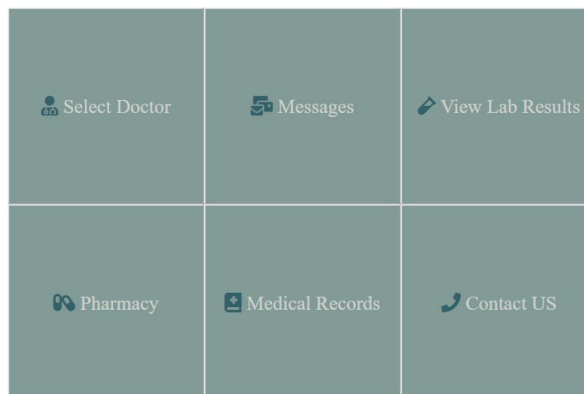

Welcome to Sunshine Clinics

username: treutelearlean

password: mSQfQNG7

Login

step 2: After login, the patient can see the neat and user-friendly user interface. There are six sections in this app. The patient can click the section to go to the pages.

step 3 - select doctor: The patient can select the primary doctor in the dropdown box. After the patient selected the doctor, click “Back to Menu” button and it would be saved in the database.

Select your primary doctor: Chih-Yuan Su ▾

Back to Menu

step 4 - messages: If the patients want to send messages about their concerns. They can simply go to the messages section and send messages to their primary doctors. Please note that both subject and message fields should be filled in order to send the messages.

Subject:

Message:

type message here

Back to Menu

Send to Primary Doctor

step 5 - lab results: The patient can see the lab results by clicking each test.

Height	Weight	BMI
HDL	LDL	BP

Back to Menu

step 7 - prescription: The patients can see all the prescriptions (highlight in red) in this section. The prescriptions can be requested to refill by clicking the button (highlight in yellow).
